

Performance Bond Release

The Westfield Public Works Department is recommending that the Board of Public Works and Safety consider the following performance bond for release by the requested developer:

Performance Bond Release

- BPIC Bierman ABA (sanitary, storm, water, erosion control)

This bond was put forth by the owner. They recently got a new contractor for this job and made them supply the bond. We will still have a performance bond for this project for the same amount. This is simply to release the owner from the bond they initially put forth.
